

## Individual Graham Cracker Surprise

3 graham crackers

1 individual serving size vanilla pudding cup

frozen whipped topping, thawed (or the kind in an aerosol can)

1 can prepared chocolate frosting

### Directions

Mix one individual prepared pudding cup with about 1/3 cup of whipped topping. Place two squares of a graham cracker (1/2 a cracker) in a small container or in two separate containers.

Layer half of the pudding mixture over the two crackers. Top each with another graham cracker square. Add the rest of the pudding as a layer. Top each stack with a third cracker.

Cover and refrigerate until set.

Take about 2 Tbsp of chocolate frosting and microwave for about 5-10 seconds to soften. Top each graham cracker stack with chocolate frosting.

Chill again until frosting sets and enjoy!
