

# CAMP LI-LO-LI UPDATES

*Lives transformed through Jesus Christ*

**Fall 2025**

## Ministry Update

We enjoyed a fantastic summer camp season, welcoming nearly 600 campers during the kids' camp weeks and 300 campers during our family camp sessions. The Lord blessed us with over 350 staff members who served throughout the summer. We are especially grateful for the 14 professions of faith in the Lord Jesus Christ that took place.

As soon as the summer sessions are over, we begin looking ahead to next year, choosing directors, picking themes, and planning building projects! We would like to share some of the upcoming priorities and needs with our Camp community.

## Projects

Last winter, ice damming caused some damage to the lodge roof. The Lord provided funds to install a new metal roof over the entire lodge for only a little more than the cost of repairing the one section. This should last for many years.

## Infirmiry Renovations

Our medical building has not received updates for quite some time and is one of the last structures in need of improvements. We are exploring ways to enhance and modernize the infirmiry, starting in the coming year.

## Timber Rights

In 2008, we acquired a 77-acre parcel of land where most of our trail rides take place. At that time, the seller retained the timber rights. It is now possible to transfer the timber rights back to Camp, which is a crucial step toward preserving our property. This will also add more forest land that can be harvested as income for Camp for many years to come. While this is a large and unexpected expenditure, we have agreed to purchase the rights for \$135,000 and are asking the Lord to provide the necessary funds.

## Pavilion

We are considering various options for enclosing the pavilion to increase its functionality during inclement weather, & throughout the year. Our aim is to keep it largely open during the summer months while ensuring it can be easily closed when needed and also utilized more in the winter. We hope to finalize our plans and begin this project in 2026 as the Lord leads and provides.

We ask that you might prayerfully consider supporting these projects as the Lord leads
